Situated centrally in the Netherlands

The advantages of choosing 's-Hertogenbosch for your business location:

's-Hertogenbosch – access to an extensive market

- Access to large numbers of potential customers/consumers (more than 500,000 inhabitants in the surrounding area, 16 million in the Netherlands, 27 million in the Benelux)
- Less congestion than the Randstad (Amsterdam/Rotterdam)

's-Hertogenbosch – gateway to (a large part of) Europe

- Strategic location between major cities in the Randstad, Belgium and Germany
- Intersecting state highways (A59/A2)
- 3 intercontinental airports (Amsterdam, Düsseldorf and Brussels) only 1.5 hours away

Top-quality business accommodation

- Up to three times less expensive than Amsterdam, Rotterdam, Brussels or Düsseldorf
- Good starter facilities, e.g. office units from 25 m² including utility services
- Availability of top-quality office space and business parks
- Positive image – elegant, stylish provincial capital
- Flexible and business-friendly local authorities
- All services on hand including legal, accountancy, marketing, etc.
- Excellent residential climate
- Access to the city-wide all-optic network for only € 300 per month via independent buyers' combine

Qualified employees

- Labor pool (large and growing working population of more than 65,000 people)
- Employees with an excellent command of foreign languages and willingness to speak them
- High level of company loyalty
- Education (wide range of lower, intermediate and higher professional education courses), (higher) professional education: 24,000 students), including the intermediate-level ICT academy and ICT degree courses
